Student Schedule for Thesis Pre-presentations (Nov 20, 2026)

The preliminary presentation for Stipendium students will be held online via Microsoft Teams in the **„2026-27-1 SZAKDOLGOZAT "** (THESIS) group.

The duration of each student presentation is approximately 8-10 minutes. Including questions and consultations, a maximum of 15-20 minutes will be allocated to each student. We reserve the right to change the order of presentations.

Only those students who have previously submitted and/or presented at least 40,000 characters of their thesis (in edited form), as well as the design proposals, to their supervisor may participate in the preliminary presentation.
